After Parade of Lights Party

Another Singles on Sailboats tradition! Viewing our award-winning Parade of Light Boat leaves everyone in a festive mood! After the parade come party with the Elves (those SOS members who prepare our always award-winning entry for the parade) and ALL your SOS friends for drink, food and dancing with the Matt McConville Trio. With over twenty years of performing behind him, Matt's musical interests go across the board. Neal Bumgarner, a virtuoso guitarist and musician, and Greg Binney, on percussion and drums, have played and performed with Matt for a long time, too. Most SOS dancers are familiar with their sounds.

Once again the party will be held in an Annapolis area home with plenty of room for both dining, conversation AND dancing. (Directions to the party will be sent to those who have signed up.) Your fee will provide appetizers, drinks, buffet dinner and music. Dance the night away to all the sounds you love to hear. Dress is festive casual; after all you will have been down on Spa Creek first.

As this event is being held in a member's home there will be no smoking and no walk-ins. Register early to assist your SOS volunteers' planning and assure a place on Santa's helpers list of Good Boys and Girls! Let Barbara know (410 956 1445) if you are interested in helping with this event!

VIEW FROM THE BRIDGE

WOW! What an honor to have been elected your Commodore. I am proud to be able to lead this great club for the coming year. I am lucky to have the support and energy of your Board to keep all of our activities functioning. Rounding out the Board officers are Harry Keith as Vice Commodore, Rita Svec as Treasurer, for the third time, and Cathy Laws as Secretary. The complete list of Board Members and Committee Chairs is on page 19.

SOS NEEDS YOU TO VOLUNTEER! SOS runs solely on the time, energy, ideas and creativity of volunteers. It is a great way to meet people and get active in the club. Cruising has a cohort of members ready to assume various tasks, but it needs a chair. The Education Chair is looking for some members to step up to arrange Spring Training. Most critical are a volunteer to coordinate recruiting speakers and another to organize the logistical aspects of the day. A chair for Membership Recruitment is also needed. We have plenty of expertise to help you get started. Don't be shy! Contact me (hopeda@verizon.net or 703-821-1431) or another Board Member to discuss what is expected.

While the sailing season on the Chesapeake is over for the winter, there are numerous SOS activities to enhance your learning and your social life. SOS is known in the Annapolis area for its award-winning participation in the Eastport Yacht Club's Lights Parade. Many elves are needed to put together another winning submission. It's fun, lunch is provided, and you make new friends. (The work schedule is on page 11.) After viewing the Lights Parade on Saturday, December 14, many of us head over to the holiday party at an Annapolis member's home for dinner and dancing. And then, the next day is a brunch. Two members are opening their homes for Christmas Dinners. They will always welcome one more, so give Debbie Goldberg (Burtonsville) or Barbara Mistrik (Annapolis) a call. Always a fun time! Coming in January are Fireside Chats, Education Seminars and the Awards Dinner Dance.

Many thank-yous to all the hosts -- **Meeps Yox** (hosting at **Molly Harrison** and **Ned Schwartz's**), **Joan** and **Peter Stogis**, **Jane Knuth**, **Barbara Shoemaker**, **Debbie Goldberg**, **Charlotte O'Connor**, **Suzanne Vaughn** and **Kathy Higdon** -- who opened their homes for the Regional Thanksgiving Dinners and to **Kitty St. Romain** for organizing everyone. A record 120 SOS members enjoyed celebrating the season with camaraderie and a luscious meal.

Special Kudos to **Ron Pence** for being raft captain for the Goose Cruise and calling for a preemptive early morning raft break-up because of strong winds.

Wishing you fair winds,

Hope

Lights, Camera, Action!

SOS Hollywood Night Awards Dinner & Dance

January 31, 5:30-11:00 at The Sheraton, Annapolis

SOS is rolling out the red carpet and hosting the hottest awards party of the year with a Hollywood Night Gala.

This year's emcee is our own Dane Skagen, so come to walk the red carpet and drink bubbly with your favorite leading men or ladies.

There will be a hospitality suite where members can socialize **before** and **after** the ceremony.

Channel your inner alter-ego and dress the part! Join the fun, the fame, the glitz, and the glam!

Awards, Awards, and More Awards!

At the January 31 Awards Dinner Dance, SOS will recognize four members for their significant contributions of time, energy and talent (the serious member recognition awards) to our all-volunteer Club. Members will also be recognized for contributing whimsical, good-natured humor through their foibles, bloopers, and flim flams (the Jibe Ho awards). The photographers among us will also be recognized, and there are awards for various categories, such as boats, sunrises/sunsets, and people. (See article on page 8 for further details.)

So, What Are The Serious Awards?

Commodore's Award: The Board of Directors established the annual Commodore's award so that the highest ranking officer of the Club could extend public recognition and many thanks to an individual who has made significant contributions in fostering the goals of Singles on Sailboats, and who continues to contribute to many aspects of the Club. Nominations for the award are accepted from the general membership.

Ed Klein Member of the Year Award: Singles on Sailboats owes its beginnings to Ed Klein. He co-sponsored the first rafts of two or three boats, the first brunches, the first social gatherings. But Ed offered more. He would teach you to sail without regard for your past experience or future expectations. Ed would take you aboard his boat, The Mai Kai, give you the helm, and develop your skills. He would challenge you to extend your horizons. He was one of those unique individuals who shared his joy of sailing with you. Ed sailed beyond this world in 1987. Nominations for the award come from the general membership.

Elinor W. "Elli" Abramson Award for Contributions to SOS Education Programs: Eli Abramson created many new educational programs for the members of Singles on Sailboats. After serving on the Board of

Directors for two years, she gradually built an all-encompassing education program that provides the opportunity to broaden one's knowledge of sailing at minimal cost. She transformed the spring education program so that it attracts more participants than any other SOS event. Elli sailed beyond this world in 1992. Nominations are accepted from the general membership, and the Education Committee Chairperson(s) recommends the recipient.

Rookie of the Year Award: Singles on Sailboats attracts many new sailors each year. The Board of Directors established the annual Rookie of the Year Award to recognize the individual who, in his or her first year sailing with SOS, demonstrates superior interest in and learning about sailing, and who becomes highly involved in one or more of the many SOS programs. Nominations for the award come from the general membership.

Nominations should include background and/or justification for each of the Recognition Awards, as well as for the Jibe Ho Awards. Nominations for all awards to be presented at the 2015 "**Hollywood Night**" party should be sent to Harry Keith at Harry.Keith@1983.usna.com no later than January 10, 2015.

You Ought to be in Pictures The 2014 Photo Contest *Nancy & John Parsons*

Time is running out to enter the Photo Contest.
Don't miss the Dec. 18 deadline!

Easy contest rules:

1. Each photo **must** identify at which SOS event it was taken and the name of the photographer.
2. **Entries must have been taken at a 2014 SOS event by the SOS member submitting the photo.** A photo does not necessarily have that event as a theme, *i.e.* a picture of Annie Anchorage at a raft-up or the sunset seen from a raft-up is acceptable, even though there is nothing in the picture to prove that it was taken at a raft-up or cruise. An official SOS event is cruising, day-sail, a brunch, seminar, bareboat trip, fireside chat, Spring Training, etc. Happy Hours are not included.
3. **ALL photo entries must be received by day's end-- 12:00 (midnight) -- December 18, 2014.** Photos received after the deadline will not be judged.
4. This is an amateur photographer contest. Professional photographers - *i.e.* anyone who earns more than 50 percent of his or her annual income from photography – are excluded from the contest.
5. Each member may submit up to a **total of eight (8) photos.**
6. Photos may be edited to achieve color balance that reflects the scene as you observed it. Cropping is also acceptable. Heavily manipulated photos are **not** eligible.

Categories:

- People
- Places

- Bay scenes (including sunsets)
- Sailing Action (boats under sail, raft-ups)
- SOS Abroad (destination cruises), only photos taken during the actual SOS destination cruises are acceptable. For example, photos of/from the chartered canal boats and in towns visited are acceptable, but not photos taken in Paris. Photos taken on days when traveling prior to or after a destination cruise will be put in the Places category.

Other Useful information: Submit your photos in digital format: mail a disk or send photos attached to emails. Photos must be submitted in the highest possible resolution. The photos will be enlarged to 5" x 7", so if the photo is fuzzy, it reduces your chance of winning. Photos not submitted in the 5" x 7" format will be cropped to that format.

Judging: The photo contest managers will put your photos in the correct category. There are 5 categories with 1st, 2nd, and 3rd in each; plus 1 overall Grand Prize.

The Judge, new this year, is a professional photographer from outside of the club. The judging will be blind, so the judge will not know which photographer took any given photo.

Send Photo Entries to:

2014.sos.photos@gmail.com (Please do not send entries to our personal emails.)

Three Dates...Lots of Information

By Kris Smith

The SOS Seminars are all set for this season. This time we will welcome non-members as well for the January and February sessions. "Spinsheet" will have an article in their December issue, *so be sure to sign up early*. Don't miss out.

On Saturday, **January 10**, starting at 9:30 a.m., Jim Burton, who joined SOS this year, will give his insights into GPS. Spoofing is straight out of James Bond. What should you look for in buying GPS **apps** for smart phones, tablets and laptops? Jim knows.

What's new in **trip planning and navigation software**? Mark Pringle of Nautical Solutions International has worked professionally for many years in this arena. Do all the bells and whistles seem foggy to you? Mark will clear the air. You'll want to hear what he says about choosing a new product and what's coming in the future.

Then, starting at 12:30, George Hollendursky will conduct the **raft captain training** class. George is providing a additional information elsewhere in this issue.

If you are a skipper or first mate, you can attend the afternoon raft captain training session at no cost. Skippers and first mates who want to attend the morning session will pay \$12.00.

On Saturday, **February 21st**, George Dunigan of Azkonobel, will discuss all the things you never thought to ask about **adhesives and paint**. This is a terrific opportunity.

And just in case you have cabin fever, we've added another date – **March 7**. Once again the Annapolis Fire Department EMS team will conduct their **CPR and First Aid for Mariners** course. This class was very successful last year. As I write this, I don't have a cost. It will be posted in the event calendar as soon as it is available.

SOS Sailing in Maine

July/August 2015

Ann Knepper & Ann Ashton

The Bareboat Committee is organizing sailing opportunities for next year in Maine. Members can choose between a bareboat experience, sailing on a schooner, or both. More details will be shared later. But to whet your appetite, below is a recap from one of our skippers who was sailing in Maine this past July.

Maine Sailing Trip – July 11 to JULY 20

The cold winter months are a good time to reminisce about an exciting and adventurous experience sailing the glorious coast of Maine in July 2014 with the enlivened crew of Ann

Ashton (skipper), Charlie Van Doren, John Dombach and Ann Knepper and last but not least, Ted Taylor, who went on a different boat as that skipper was desperate for an experienced crew mate in addition to two novices on board.

We left Castine Yacht Club on July 12 and sailed the exquisite coast of Maine on Ann Ashton's beautiful Concordia Yawl, *Phalarope*. While cherishing the Maine coast and highlights, we experienced some good winds and weather mixed with some heavy winds and rain.

First night to Opechee Island, near Casco Passage, to Sorrento Harbor the next night where we had a fabulous dinner at the Crocker House and then on to Trafton Island. We had a wild night there as a big blow came up and half of the 12 boats in this small harbor all dragged their anchors. *Phalarope* dragged right out of the harbor going ½ mile beyond all the other boats. The next morning we discovered we had hooked on to a lobster pot that held us in place.

The next day we were headed to Rocque Island when a lobsterman told those of us on sailboats not to go out there as it was very rough. Four of us motored an hour away to Cape Split and all secured moorings. Ted and his skipper who did not believe the lobsterman opted to try to sail to Rocque, but finally had to head back and spent another night in Trafton. The motor boats all went to Rocque via a route in towards shore (not accessible to sailboats because of a bridge) but they were stuck for three nights in pouring rain and no place to go ashore.

Three of the sailboats (one stayed behind with engine problems) decided to head to Winter Harbor (better weather than Rocque) where we picked up moorings; some enjoyed lunch at the very nice yacht club and others walked a mile into the small village.

The next day was glorious and we sailed from Winter Harbor to Northeast Harbor. Finally Ted on his boat and the remaining fleet of motor boats caught up with us there. We spent two nights in Northeast and then headed to Wooden Boat where the group enjoyed seeing the boat building school and the wonderful gift shop.

The last day we motored back to Castine as there was not much wind and ended the day with a wonderful lobster dinner.

Rafting Seminar for Skippers, FMs, and Crew

George Hollendursky, Raft Captain January 10, 2015, 12:30pm
 Location: Southern District Police Station, 35 Stepneys Lane, Edgewater

Rafting is an important aspect of SOS cruising and doing it safely is critical. Learn how SOS builds linear and circle rafts including where and how to set an anchor, place fenders, secure lines, approach in the wind, and effectively communicate on the boat and with the Raft Captain.

This seminar is designed for Raft Captains, potential Raft Captains, Skippers, First Mates, and all Crewmembers. This session covers considerations involved in raft building such as advance planning, general guidelines for all rafts, special considerations for circle and linear rafts, handling emergencies, docking for land-based cruises, and ways in which Skippers and Crew can assist the rafting process.

- What are the responsibilities of the Raft Captain and individual Skippers?
- How does weather affect raft building?
- How do we determine how many anchors to set, and where to set them?
- How do we calculate the amount of space needed for a circle or linear raft?
- When do we build a linear raft or a circle raft?
- How much anchor rode should we use, and why?
- What happens when the wind shifts while a raft is being built?
- What is the effect of current? Or boat wakes?
- How can the size of a raft be adjusted for more or fewer boats?
- Is breaking up really hard to do?
- What are the emergencies that can occur in a raft, and what should we do?

The Cruising Corner

Peggy Green, Cruising Chair

Skippers, First Mates, Coordinators, along with BOD members and other Committee Chairs wrapped up the 2014 Cruising Season on November 9th. Thanks go out to Steve and Crystal Deller for reserving their community's clubhouse, The Barn at Ulmstead Estates, for our use, and to Debbie Goldberg and her crew for planning and setting out a delicious luncheon.

Just to let you know what we accomplished this year: there were: **17** Weekend Cruises; **1** Extended Cruise; **1** First Mates Cruise; **19** Weekend Day Sails; and **13** Mid-Week Sails.

This resulted in a cumulative total of **75 Skippers** sailing a total of **598 boat days and crew sailing 1529 crew days.** (A 'day' represents 1 boat or 1 crew member on the water for 1 day of sailing.)

In addition to thanking the Skippers who helped SOS chalk up these numbers, I want to thank my Co-Chairs, Jim Brooks and Cynthia Palmer, for their help in lining up the destinations and for launching the +1 Button Campaign. 'Virtual' +1 buttons were given to over  50 Skippers and First Mates who added **1** to the number of cruises or day sails that they sailed over the previous year. Marty Halvorsen and Ray Harris were the last to receive their 'virtual' button.

Many thanks to five skippers who represented SOS in the Hospice Cup this year, Harry Keith, Jon Bernheimer, Dennis Krizek, Emil Becker, and Robin Meigel.

To the team of **27 Coordinators**, for spending what one former Cruising Chair described as their "two-weeks-in-h_ _ _" coordinating a cruise; to Kathy Haven and Ellen Penndorf for creating and sending the Blasts; and to Zonia Acton and Judy Crews-Hanks for keeping the As-Sailed Lists, I extend sincere thanks.

Assembling crews for the skippers wouldn't have happened without you. You're the BEST!

We anticipated an expected drop in the number of crew that were able to sail on a boat for a day sail; however, it came as a surprise that Mid-Week Sails

had a great showing this year with 78 crew days which was more than last year. The Skipper who was the mainstay of the mid-week fleet was Dennis Krizek, supported by Joe Lombardo, and new Skipper, Martha Wagner.

The following Skippers deserve thanks and recognition for the number of crew sailing with them this year:

Ron Pence sailed with 40 crew;
Dennis Krizek -37 crew
Dave Henkin - 37 crew
George Hollendursky - 28 crew
Mike Pittinger - 27 crew

Windwards 2015 Trip Update

By Lorraine Fassett and Jon Halpern

Winter has arrived! Wouldn't you like to be sailing in a tropical climate while it is cold here? Join the SOS sailors who will be heading off to the Windward Islands, including the Grenadines, in February, 2015.

Eight boats will be sailing from St. Lucia to Grenada from February 7-20. The cost is \$2200 with the first night aboard the boat. Three boats will be leaving from St. Vincent to Grenada for a one week cruise, February 14-21 at a cost of \$1400 with the first night aboard. The Northeast winds will be steady, the climate delightfully warm and the anchorages exquisitely tropical. The Windwards are considered to be some of the best cruising grounds in the world. Not just hype, but a fact.

Most of the chartered boats have a full complement of crew but with some people needing to cancel, we still have a waiting list and would like to add to it. If you are interested you may call or email Lorraine Fassett, 410-573-1030 or lhfassett@verizon.net or Jon Halpern, 301-588-7857 or jonathandhalpern@gmail.com. You also may go to www.sosbareboat.simplesite.com and click on The Windwards 2015 to get all the information about the trip including a section, "Not Too Late to Sign Up" at the end of the introductory page.

Additionally, you may use the SOS member website, click on Bareboat Cruises and then click on Windwards Application/Waiver and send to Jon Halpern as listed at the bottom of the waiver. You do not need to send in any money until you have accepted an invitation from a skipper.

A gathering of Windward crew is scheduled for Sunday, December 14 after the SOS brunch and it will be at the home of George and Shirley Hollendursky in Annapolis. Contact Lorraine Fassett if you are interested in attending.

Let the sailing continue!

NO SPRING TRAINING THIS YEAR!

WHAT?????

Without a leader at the helm, Spring Training cannot happen. The Education Committee is seeking someone to chair this event that invites the community to see SOS at its best as well as provides stellar education opportunities for Skippers, First Mates, and Crew. A cadre of volunteers is standing by to help.

Please contact Education Chair, Reenie Clements, rclem363@comcast.net if you think you may be that special person to organize Spring Training.

DOCKSIDE TRAINING COORDINATOR NEEDED

Are you new to SOS or been around a while and would like to meet more people? Join the Education Committee and volunteer to coordinator Dockside Training. It's simple; just assigned new members to Skippers who have offered to train new members. The Skippers do the rest.

Please contact Education Chair, Reenie Clements, rclem363@comcast.net if you think you are interested.

SPEAKERS NEEDED

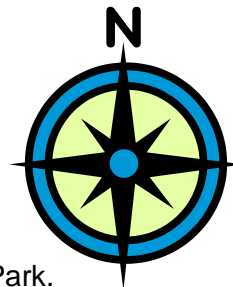

Have you recently heard a dynamic speaker with expertise in an area of sailing or seamanship? Do you have sailing experience or adventure you would like to share with fellow SOSers at a Fireside Chat? The Education Committee would love to hear from you.

Please contact Education Chair, Reenie Clements, rclem363@comcast.net or Firesechat Chair, Pat Duvall, patcd0917@verizon.net

SOS: Thirty years ago

In 1984 the November Brunch had **245 people attend!** The speaker was Marvin Creamer who provided an exciting and extremely enjoyable description of his circumnavigation of the globe without instruments.

That same year the club held an unusual multi-ethnic pre-Thanksgiving celebration. The menu for the dinner included hot Japanese saki, Indian curry, Mexican nachos, a French chocolate rum mouse, and other international delights! Yum.

Another exciting event this year was the submission of the first color photos for the Photo Contest – imagine the oohs and aahs.

There was a note in a 1984 newsletter reminding the membership that the postmark deadline to sign up for a cruise was **two weeks** before the cruise took place. Now that took some advance planning.
