VIEW FROM THE BRIDGE

**"We can't
direct the wind,
but we can
adjust the sails.
For maximum
happiness,
peace, and
contentment,
may we choose a positive
attitude."**

We have all heard this famous quote from Thomas Monson; I believe this embodies the phenomenal tasks facing our club in the last two years. Fortunately, our former Commodore and board faced the challenge and brought us through these difficult times beautifully. Thank you to Sandy, Suzanne, Andy, Doug, Teresa, Craig, Robin, Wendy, Pat and Heidi who have served us in the past two years. You were faced with some unprecedented hurdles and managed them all.

I am honored to have been elected as your new Commodore and welcome the new board members and returning members to join me in adjusting sails for the next year. Robin Meigel will be returning as Vice Commodore; Craig Coltharp will serve as Treasurer, and Wendy Adams as Secretary. Completing the board are Heidi Harper, Bob Wright, Doug Gage, Pat Woodie and Angela Eggleston! What an amazing group of folks, with so much experience in life, as well as with SOS. We are excited to get going!!

My first sail with SOS was in August of 2001. The skipper wisely told me that if I wanted to get the most out of my time with SOS that I needed to join a committee. I followed the

skipper's advice and got involved in the Education Committee. I am urging all of you to choose a committee and jump in.

This club depends on members getting involved and helping to make our events the best they can be for everyone. You will make new friends, have fun and feel accomplished.

While our committee chairs work tirelessly and have made the club very successful for all of these years, it is a much more rewarding and less arduous with many hands helping.

Each of our board members will serve as a liaison to a committee; offering help and advice where needed. But we need YOU!

When I moved to the area in 2001, I did not know a soul. SOS has provided me with wonderful experiences, great friends, increased knowledge of sailing.....and a family. Like all families, there are challenges and times of happiness and sadness. But I wouldn't change it for the world.

Let us all keep a positive attitude, as the quote says, and move into this new year even stronger. I am open to any and all suggestions....just email me.

I wish you all a wonderful holiday season.

December 5th Brunch Pirates of the Chesapeake: From the Colonial Era to the Oyster Wars

In her new book, *Pirates of the Chesapeake Bay*, Ms. Goodall introduces infamous men like Edward "Blackbeard" Teach and "Black Sam" Bellamy, and lesser known figures whose tales of piracy are legendary from the harbor of Baltimore to the Shores of Cape Charles, Virginia.

The story of Chesapeake pirates begins with a land dispute and ends with the untimely death of an oyster dredger at the hands of the Maryland Oyster Navy. From the 1650s during the golden age of piracy to the 1730s Confederate privateers and oyster pirates, the maritime communities of the Chesapeake Bay are intimately tied to a fascinating history of intrigue, plunder and illicit commerce raiding. Chesapeake residents looked to smugglers, pirates, merchants and local government officials to bypass trading obstacles in order to meet their demands for affordable manufactured goods from Europe and the Caribbean.

From the Elizabethan Sea Dogs to the so-called golden age of piracy, commerce raiders maintained a prominent place in people's imaginations. Pirates mainly operated on the open seas, but they were known to make use of rivers and land to support their operations. Join us for this fascinating presentation of Pirates of the Chesapeake Bay and meet many characters of that period.

Jamie L.H. Goodall, Ph.D., is a staff historian at the U.S. Army Center of Military History in Washington, D.C. She also teaches at Southern New Hampshire University in their on-line program. Professionally she wears many hats having taught at several other universities, has many published articles including *National Geographic*. Additionally, she served as a reviewer for both the 2021 Harriet Tubman Prize Reader's Committee and the Discovery Grant for the National Endowment for the Humanities.

January 9th Brunch *Waterborne*, the Result of a 14-year Circumnavigation of the World

Marguerite Welch and her husband Mike will share their adventures sailing the world in their 38" Shannon Cutter *Ithaca* and talk about her recently published book *Waterborne: A slow trip around a small planet*. It is the story of an artist, an engineer and a Labrador—three entirely different personalities—who abandon a stable middle-age lifestyle for a pitching deck and the possibility of pirates.

Challenged by culture clashes, gear failure and sudden storms, the story of their 14-year adventure is as much a sea saga as travel memoir.

There are still some star struck nights on the boat when I look up at the sky, study the compass, listen to garbled voices on the VHF and wonder if we were really gone for 14 years? Was it just a dream, that world that only exists in my mind now—my memories, my heart? It's as if I made it all up but I didn't. It's a fact that after thirty-three years of marriage, two careers for "Michael", two sons and many reincarnations of me, we abandoned everything and everyone we loved to explore the world in a small boat for fourteen years. "Why?" you might ask. "Why not?" I might reply."

Marguerite is a writer, photographer, teacher and sailor whose eclectic tastes and interests have often led her in unexpected directions. Her passion for the photographic image and its history led her back to writing. She became a critic and commentator for numerous art publications.

Mike Welch is a retired Navy Captain, graduate of the Naval Academy Class of 1961, fighter pilot and test pilot. Duty stations included Commanding Officer of Patuxent River Naval Air Station and Executive Officer of the USS America. After 30 years in the Navy and eight years with ARINC, he retired as the V.P. of Advanced Technology and Engineering.

You Ought to be in Pictures: The 2021 SOS Photo Contest

Have you taken **stellar shots** of this year's SOS activities? If so, keep on shooting! If not, start taking photos to be submitted to the 2020 Photo Contest.

1. **Entries must be taken at events with other SOS members in 2020 by the member of SOS submitting the photo.** **Note:** If you are in the photo, you **cannot** have been the photographer and your submission will not be accepted (unless on a tripod with a timer, which is acceptable). A photo does not necessarily have that event as a theme (a picture of Annie Anchorage at a raft-up or the sunset seen from a raft-up is acceptable, even though there is nothing in the picture to prove that it was taken at a raft-up or cruise.) We are on the "Honor System". An SOS event can be cruising, day-sail, a brunch, seminar, destination cruise, shore party, etc. Happy Hours are **not included**.

2. Each photo **must** identify at which SOS event it was taken and the name of the photographer.

3. This is an amateur photographer contest. Professional photographers - i.e. anyone who earns more than 50 percent of his or her annual income from photography – are excluded from the contest.

4. Each member may submit up to a **total of eight (8) photos**. The photographs should be submitted in a 5" x 7" format or the coordinator will crop it for you.

5. Photos may **NOT** be edited to achieve color balance that reflects the scene as you observed it. Heavily manipulated photos are **not** eligible. Cropping is the only acceptable edit. We ask the photographer to 'Suggest' a category, but the Judge has the discretion to change the category.

Categories: People, Bay scenes (including sunsets), Sailboats (sailboats under sail, raft-ups), and Destination

Cruises. The Destination Cruises category includes photos taken during the actual SOS destination cruises and photos taken on days when traveling prior to or after a destination cruise, provided the photos are from the same area. (A destination cruise of the Mediterranean may **not** include photos from a layover in Amsterdam.)

Other Useful information: Submit your photos in digital format. Send photos attached to emails, Drop Box or contact Bob Wright for instructions to upload the Photo Editor's Google drive. Submit photos in high resolution. The photos will be enlarged to 5" x 7" (and larger to project to a screen). If the photo is fuzzy, it reduces your chance of winning. Photos not submitted in the 5" x 7" format will be cropped to that format. Smart phone photos may be submitted. Please select high resolution for photos in your smart phone setup.

Judging: The Photo Contest Manager and Judge may put your photos in the best applicable category. There will be First, Second and Third Place Awards for each of the four categories and also a Grand Prize Award. The photos will be judged by a greater Annapolis area professional photographer from outside the club. The judging will be blind, so the Judge will not know which photographer took which photograph. The Judge may add a fourth-place award in any category, if deemed necessary due to the quantity and quality of entries in a category (not to exceed a total of 13 awards including the Grand Prize Photograph).

Recycling Initiative

by Pat Tracey

As a new SOS member, I am interested in a recycling initiative. I'm mostly concerned with bottles and cans and which marinas have access to recycling.

I plan to research Maryland recycling to find what boaters are responsible for on and out of the water. I will follow next month with my findings.

Please read this very interesting article about how "trash" in the ocean may be the solution to an impending energy crisis:

<https://time.com/6094560/deep-sea-mining-environmental-costs-benefits/>

Another good article to read about bay litter and how we as boaters can help can be found at:

<https://www.chesapeakebay.net/state/litter>

If you have any comments about the recycling initiative, please contact Pat Tracey at patrici TRACEY07@comcast.net

For now, here is information about the Maryland Clean Marina Initiative.

Maryland Clean Marina Initiative

The Maryland Department of Natural Resources' exciting Clean Marina Initiative offers marina and boatyard operators, and recreational boaters the opportunity to participate in efforts to protect Maryland's natural resources.

The Maryland Clean Marina Initiative recognizes and promotes marinas, boatyards and yacht clubs of any size that meet legal requirements and voluntarily adopt pollution prevention practices. The department has certified nearly 25 percent of Maryland's estimated 600

marinas as Clean Marinas or Clean Marina Partners and we aim to continue increasing this number moving forward.

Boaters are encouraged to patronize certified Clean Marinas and to adopt clean boating habits.

The collective effort of individuals and businesses will improve the quality of Maryland's waters from Deep Creek Lake, to the Chesapeake Bay, to the coastal bays!

WATCH THE LIGHTS PARADE IN COMFORT - SATURDAY, DECEMBER 11th

Watch the 40 or more boats of the Eastport Yacht Club Lights Parade burst into light on Saturday, December 11, at 6:00 PM. Enjoy the parade in warmth and comfort from a waterfront room at the Annapolis (Marriott) Waterfront Hotel. See this wonderful show of splendid color and twinkling lights with each boat decorated in a Christmas theme. Avoid the cold and wintry night and join your friends at the Annapolis (Marriott) Waterfront Hotel to watch the Parade.

Drinks and eats will be available in the room starting at about 5:00. Our overview of the Lights Parade will be fantastic from a large balcony which gives a view of "Ego Alley" and the immediate waterfront. This is a great opportunity for photographers to capture a winning view of this colorful holiday event.

Cost for this event will be \$45.00 per person. Send your check made payable to SOS, to Sandy Rosswork (511

Chesapeake Ave, Annapolis, 21403). Beer, wine, sodas and sandwiches will be provided. Participants are asked to bring an appetizer or dessert. Call or email Sandy Rosswork for more information and to sign up and indicate what you will bring. Don't wait too long....attendance must be limited due to the size of the room!! Call 410-267-8739 or email sgrosswork@aol.com.

Parking will not be provided at the hotel.

Park in Eastport and walk across the bridge, or park at one of the city garages and take the free shuttle into town. The hotel room will be open from about 4:30 PM. The Parade starts at 6:00 and the Spa Creek Bridge will open about then to let the boats through. Traffic will be heavy as time gets closer to the start of the parade.

Oh yeah.....what happens to the room when the party is over?? Well, the plan is to draw a name from those who have signed up and..... **the lucky winners will be able to stay for the night!**

Regional Brunches - February 13

February brings back the popular Regional Brunches. Those attending will be asked to contribute \$10 and bring a dish to share at the party.

We're looking for homes in all areas to host on Sunday, the 17th. Whether you have room for 5 or 25 guests, please participate in this wonderful opportunity to get to know other SOS members in a more personal setting.

Speakers are not part of the format for Regional Brunches; this is just an opportunity to be together to share a meal during the winter. We just need home locations and enthusiastic hosts/hostesses.

If you would like to host, please contact Suzanne Vaughn at suzyvaughn@aol.com.

All locations and sign-up details will be announced in January newsletter and in a blast early February.

SCUTTLEBUTT

(A communal water cask around which sailors traded gossip)

Beth Dumesco rode out the high winds and flooding on Halloween weekend on her boat on the hard at Hartge's in Galesville. The boat was hauled out on Wednesday, October 27, and was supposed to leave on the 29th, but due to a delay in the delivery of a replacement part Hatge's asked her if she would mind staying aboard the extra night. How lucky she was to be permitted to stay aboard for the weekend so long as she could negotiate the ladder. That weekend water came over the seawall and under her boat. Fortunately, she was blocked up high so painters could get underneath. After returning to her own berth, she went to Pirates Cove to treat herself to lunch, and found they were cleaning up and drying out after being swamped by four feet of water! (Their kitchen was okay, though). On another day, she went driftwood hunting and filled two trash bags.

Wendy Adams and **Maureen Wright** visited the *In America, Remember* installation at the foot of the Washington Monument on October 2nd. There was a huge billboard counting the total US Covid deaths in real time and about 600,000 small white flags – one for each person who died of Covid. Members of the public could write messages on the flags to people who had succumbed to the virus. Wendy wrote a memorial message on one flag to SOS member Jim Randall and on another to member Dave "Hard Aground" Henkin."

SOS does it again: With the generosity of our members, those attending the Cruising Wrap Up and the Sunday Brunch in November **donated 216 pounds of goods to the Anne Arundel County Food Bank** where the workers were glad to help unload the well-filled vehicle of our new Commodore! Thank you to all.
