## Cruising Corner

Chuck Fort, Chair

Now that the cruising season is off to a great start, it is time to think about the marina/land-based events this season. Some are coordinated, some are not. Some the club makes the reservation, some the skipper does. Some the club pays for the slip (with skippers taking at least one crew from coordination), some are paid by skippers. For all coordinated events, signing up early will help the coordinators plan.

For the Anniversary Party June 25-26 at Lankford Bay Marina, the club will reserve the slips and pay for those slips where the skippers take at least one crew from the coordination. For the skippers paying for their own slips, the price is \$2.25 per foot, and electric is \$8.00 per 30-amp connection,

Since it is early to know where all the fireworks will be on which nights, one option is to go to St. Michaels for July 2, and Rock Hall for July 3, and sail home on July 4. Skippers can anchor out, rafting in pods or linear rafts near St. Michaels and Rock Hall. If the skippers and crew want to pay to be ashore in St. Michaels, two options are Higgins Boat Yard and the Chesapeake Bay Maritime Museum (CBMM). Higgins will take reservations for a minimum of three nights. The cost would be \$2.75 per foot per night. CBMM members at the Mariner level and higher can make a reservation on their website one month ahead (June 2 for July 2-4) for a two-night minimum stay. The cost would be \$2.75 per foot per night. There are many marinas in Rock Hall to choose from with assorted prices and requirements.

The Town Hall Meeting will be held this year at the Chesapeake Yacht Club in Shadyside on the West River. This is not a coordinated sail in event. If skippers

wish to sail in with invited crew, they can make arrangements through the Yacht Club using Dockwa or Snag-A-Slip at <https://www.chesapeakeyachtclub.org/visitors>

## Seafood Cruise & Party Aug 20-21

New England has its clams, Louisiana its shrimp, Texas its beef barbecue... And here on the Chester River... we have our crab! Hungry yet? Ready for the ever-popular annual SOS Seafood Feast?

The all-important food selections for the SOS Seafood feast ... Appetizers will include a vegetable tray, shrimp and smoked salmon. The main course from **Chester River Crabs** is a choice of #1 Chester River crabs, crab cakes and if you don't like crabs, there will be fried chicken. Sides are potato salad, broccoli salad and corn on the cob. Finally, desserts are lemon cake and brownies.

Besides the beautiful venue of Haven Harbour South in Rock Hall with swimming pool and lovely grounds, there's the fun of socializing with all your SOS friends. A relaxing evening by the water watching the sunset is always enjoyable. And when you're ready to boogie down, DJ Kos will be on the beach spinning your favorite dance tunes.

For those who drive to the party instead of sailing, there are hotels in nearby Rock Hall if you don't want to drive home that evening. Book early as these spots book up quickly. Go to the SOS web site event page to sign up soon for this popular event.

## Photography Etiquette

So, you want to be in pictures? In the past, this was a question for budding movie stars. Many of our members don't mind having their photograph taken and published in the monthly newsletter. However, there are members, that for personal or professional reasons, do not want their pictures published or even taken.

Cell phone cameras are ubiquitous making photography accessible to everyone with a phone. What many don't realize is that cell phones and their cameras are vulnerable to hacking. Googling cell phone camera hacks on the internet will disclose a plethora of information regarding cell phone hacks.

The club is an inclusive organization that strives to protect everyone's personal information, to include members' images. Recently, a club member took another member's photograph using a cell phone. The individual repeatedly asked the "photographer" to please delete the photo. The request was refused. The refusal showed a complete lack of respect for the individual's privacy, especially since everyone was wearing name tags at the event.

It is photographic etiquette and good social manners to **ask an individual if he/she minds having their photograph taken**. If they decline, please respect their wishes and privacy.

**If you prefer that your photo not be published in the club newsletter or uploaded to the SOS Facebook, please review your SOS profile and select a new attribute which indicates your preference.**

Let's keep the club an inclusive organization where events can be attended and enjoyed by all of our members.... including those who don't want to be in pictures.

## VIEW FROM THE BRIDGE

### WE NEED YOU!

In the past few months, in this column, I have asked for your help in manning various committees to ensure that the club moves forward successfully. It is only through the efforts of our volunteers that Singles on Sailboats can offer the many activities that we do. And it worked!! Thank you to all who have helped stage Spring Training, the Flare Demo Day, the Seminars and, of course, prepare for the sailing season. You are the best!

Now, here I come asking more from you. But this time, it should be easy.....PARTICIPATE!! The Cruising Committee has prepared an interesting season of weekend cruises and day sails for your boating pleasure. The Social Committee has planned diligently for fun, themed parties. Now it is up to YOU to sign up and attend these events. How simple is that? And you just might have some fun and meet new people. It's a win/win situation. I know, I know. You are a busy person with many responsibilities pulling you in different directions. And you are back to travel after our crazy last few years. But you joined SOS to sail and have fun.....we miss seeing you!

And while I am asking, please consider running for the Board of Directors! We will be presenting a new slate of candidates at the August 10<sup>th</sup> Town Hall Meeting. Elections take place in September, with the new Board being installed in October.

We are in the process of forming a nominating committee to search for

candidates and we could use your help. If you are willing to work on the committee to recruit or are willing to run for the Board yourself, please contact me or one of the current Board members. Help us keep this club strong!

Enjoy your summer with SOS and I'll see you on the water.

# New Fleet Exercises Guidelines

The newsletter editors have notice that committees are requesting more and more information to be published in the note section of Fleet Exercises, which often results in lengthy entries. In most cases, this information is redundant as details are included in an article elsewhere in the newsletter about the event.

From now on we will return to publishing just the necessary information in Fleet Exercises and the fine details will appear in the accompanying article.

Thanks to Committee Chairs and Board Members for their future help in this transition.

## When and How Did SOS Get a Burgee?

The first SOS burgee was unveiled on the auspicious occasion of the 1982 Anniversary Party on June 19<sup>th</sup>, four years after the Club's founding. It was formally raised at the July 4 cruise on the flagship "Sol de Mar", owned and skippered by Duane Hull, a retired professional artist and Navy man.

The Burgee and the Whisker Pole masthead were designed by Duane, and he contributed his artwork to several newsletter issues and directory covers. His humorous artwork frequently graced the pages of the newsletter back in the day when the Whisker Pole was created on a typewriter and mailed (gasp!).

## Volunteer Recognition Program

Singles On Sailboats has been governed for the last 40 plus years by members who have volunteered their time, efforts, and energy to the club. Some volunteer positions are highlighted more so than others but that doesn't mean members who work behind the scenes are not as committed to the club. The Volunteer Recognition Program was developed to define levels of volunteerism and appropriate ways to recognize these volunteers. This program is an avenue for any member to take the opportunity to recognition another member for their commitment to the club.

There are four categories to choose from that best recognizes the member's efforts. Only one category per member.

The categories are:

1. **"Jump in Whenever"** ~ An SOS member who has participated at SOS events to help in the set-up, teardown, or contributes to the conduct of the event on an ad hoc basis on multiple occasions.
  - One-time; potential way to break ice (for newer members)
2. **"Keeps SOS Afloat"** ~An SOS member who assists in the execution of SOS events on an ongoing basis for the benefit of the SOS members.
  - Standard ongoing roles that provide critical infrastructure for club activities; acknowledgement will be specific to person
3. **"Above and Beyond"** ~An SOS member who contributes significant time, effort and skills to ensure SOS events are successfully conducted.
  - Willing to step in when a need arises; sees situation and creates solution; worker bee
4. **"Extraordinaire"** ~An SOS member who contributes an extraordinary amount of time, effort and skills to ensure SOS functions meet the goals and needs of the club and its members
  - Took on many hours and much work to develop, create, implement items and opportunities – we would not have managed COVID as a healing club without their contributions

A nomination form will soon be on the website under "forms and such". Meanwhile, email Linda Casucci, [casuccij@gmail.com](mailto:casuccij@gmail.com) to request a form. Complete the form and email it back to Linda. The Membership Committee will review and present the recipient's name to the BODs. Their name and category will be printed in the Volunteer Recognition Corner of the Whisker Pole.

**Any member** can nominate another and select the category that best recognizes their efforts by filling out the nomination form and emailing it to Linda Casucci.

## Volunteer Recognition for July

### Julia Oravec – "Keep SOS Floating"

Julie has been working behind the scenes for the Membership Committee as a Mentor/Navigator for new members. However, this year Julia stepped up her game and mentored two or three new members at a time. Consequently, these new members immediately felt welcomed, understand (as much as any member) the ways of SOS and participated in activities right from the start. At an SOS event, one of Julia's mentees was overhead to say, "I'll ask Julia, she knows what to do". - that signifies the importance of Julia's time and energy and Membership's Mentor/Navigator Program. New members are immediately participating in events, getting to know SOS's culture, and wanting to get involved.

### Anne Bastian – "Keep SOS Floating"

Anne stepped up to the plate and agreed this year to be a Cruising Coordinator Leader for the Annapolis Area. When Anne accepted the position, she wasn't totally sure what the responsibilities were; even so, she gladly fulfilled the tasks. Additionally, Anne has taken the time to mentor a few new members making them feel welcomed while sharing how to become involved in SOS. She made a point of selecting and/or encouraging relatively new members in the Annapolis area to coordinate weekend sails or participate in a coordination. Under Anne's guidance these members have become a major asset to the club.

# Cruising Courtesy

by Janet Stone

Several years ago, I was given a list by one of our skippers of his "pet peeve" issues concerning crew. I polled some other skippers, and the result was an article on cruising courtesy. I have recently been asked to update this information and pass it on to the Whisker Pole. It contains items that generally go without speaking, however, new members may find it helpful. And, as always, it never hurts any of us to be reminded of "cruising courtesy" now and then. Originally written as several columns, it may appear as a lengthy discourse on rather rigid rules. To the contrary, all suggestions were made by skippers in an attempt to keep our sailing safe, fun and free of conflict. If you haven't sailed with us yet, you will find we are a diverse, multi-faceted and fun-loving group.

## Preparing to Sail:

- Do not expect the boat to meet your personal schedule of when to depart and arrive; sailing involves too many variables.
- Remember that a weekend on a boat is not a weekend at the Marriott; you should not expect all the comforts of home.
- Leave the red Samsonite at home with the red wine (although, I am personally delighted to say that some skippers allow careful imbibing of red wine on their boats!); soft luggage, duffel bags, etc. are preferred.
- Pack as lightly as possible; excessive baggage poses a problem in the limited space on a boat. AND contrary to popular belief, it is possible to sail for two days without three changes of clothing per day!
- Do not expect the boat to have foul weather gear, etc. for you.
- Bring all personal toiletries; i.e., shampoo, soap, towels, sleeping bags, etc. Do not expect to find these on board.
- Only boat or white-soled shoes (sneakers) should be worn on board.
- Lotion or gel sun blocks should be used; oils or greasy tanning products should not be brought on the boat.
- Keep meals simple; save the large, difficult creations for a dinner party at home and invite us all to a "non-sanctioned" SOS event!
- Pre-chill food and drinks brought on board.
- Tell the skipper/crew if you have a medical problem and how to handle it; several members fall into this category and it does not hamper anyone's good time when everyone is aware of any problem and thus prepared.
- If you are experiencing serious medical problems that can be expected to "flare up," cancel your cruise.
- If you must cancel the week of the cruise, it is your responsibility to find someone to replace your meal(s) or see that it gets to the boat.

- There's no such thing as a free ride; you'll be expected to participate in boat handling.
- Do not be afraid to say "I don't understand" if the skipper gives a command that is not clear to you.
- Remember, your skipper is not a charter boat skipper; you are his/her guest.
- Crew should not expect to pick their own berths; the skipper will make assignments
- Make sure you are checked out by the skipper or first mate on operation of stove/oven and head; report problems immediately.
- Do not strike a light, if you smell "gas" fumes.

## Under Sail:

- Be certain ice chest/refrigeration door is closed tightly.
- Be considerate in your use of water; tankage is limited.
- Turn out lights after each use.
- Do not "loan" your boat's equipment or galley utensils to others without the skipper's permission.
- Be on time for meals to cook or eat at the agreed upon time.
- Do not expect others to clean up after you; if you prepare a meal, plan on cleaning up, as well, unless other crew offer to take care of this detail.
- Accidents happen. If you should lose or break anything, report it to the skipper.
- Do not jump overboard without the skipper's permission...REALLY...this does happen!
- In raft ups, cross over the bow of boats only, unless invited to pass through the stern by the skipper.
- Enter the cabins of other boats only upon invitation.
- Do not embarrass your boat or yourself by your behavior.
- Enjoy yourself without drinking to excess and becoming a problem for your skipper and crew.
- Do not sail off on someone else's boat without the skipper's permission. Cupid may strike, but your crew may depend upon you for the return sail!
- Respect other people's privacy.
- Respect other people's property.
- Do not use up your boat's supplies and take yours home because you didn't need to use them.
- Do not leave the boat at the raft or at the dock until the skipper releases you.
- And a few last DON'Ts:
  - DON'T hesitate to ask "nautical" questions
  - DON'T hesitate to report boat problems to the skipper
  - DON'T fail to offer help when it might be needed.
- Most importantly, leave your problems and worries at home and have a GOOD TIME!

## Catching a Jewel in The Triple Crown

The Triple Crown of Charity Sailing was created in 2018 to recognize the top sailor and fundraiser for The Leukemia Cup, The CRAB Cup, and The Hospice Cup races.

Congratulations to SOS skipper **Joe Lombardo** who took **FIRST PLACE** in the Cruising Class in the new Maryland Leukemia Cup race on June 4.

On his sweet boat *Ingenuity* and with his crew of two -- which included his friend who enjoys the event so much he's made it an annual trip from Chicago to participate -- they were part of a small fleet of 5 in that class. Joe said there is a new class PHRF Cruising which may have more competition and he is considering that fleet for his next race. Although the day started with light winds, it built to make for a very enjoyable event.

This year brought significant change for the oldest charity regatta held off Annapolis, notably an altered name and a new beneficiary. In somewhat of a surprise move, the Leukemia and Lymphoma Society suddenly announced this year it had pivoted its fundraising

focus in a different direction and would no longer be involved with charity sailing regattas. To better reflect the regionwide support, the regatta has been formally renamed the Maryland Leukemia Cup.

A total of 73 boats in nine classes participated in the 30th annual Maryland Leukemia Cup, which was held June 4 on the Chesapeake Bay. This year's event raised just shy of \$75,000 after expenses, which were minimal.

Although the second 'jewel' in the Triple Crown of Charity Racing, the CRAB Cup, competes with our annual Seafood Feast

on August 20, we will consider supporting donations through a virtual skipper "Team SOS."

Then let's get some of our boats out for the third 'jewel' at the fall Hospice Cup on September 17. To register, go to <https://yachtscoring.com/emenu.cfm?eid=14355>.

With several new boats and skippers and lots of racing enthusiasts joining SOS, let's get them together and make some competition!

Thank you, Joe, for your energizing love of racing and inspiring us to get involved.

## Mentoring is Good For The Soul!!

When a new member joins SOS it can be a little overwhelming to say the least.

New Members receive a **Welcome Email** with lots of instructions, then a week or so later they receive a packet with more instructions, general information, and manuals. Hopefully, the new member reads or at least glances through all the material! Now they must figure out how to implement this information!! What to do!!! The answer is A Mentor/Navigator.

Knowledgeable seasoned members can fill the gap and act as a navigator assisting new members to understand SOS's culture. A Navigator welcomes, encourages and explains the How to's of SOS.

Please consider joining the group of mentors/navigators who have made a positive difference in the lives of new SOSers.
