### Cruising Corner

*Chuck Fort, Cruising Chair*

As the cruising season continues, some reminders are in order to keep our rafting safe and free of unnecessary delays.

- Make sure you call in to “Whisker Pole” on the working channel (usually 78) at 1315 hours when it is requested on the Cruise List to let the Raft Captain know your location and expected time of arrival (ETA)
- Contact the raft captain on LOW power on the working channel 78 to announce your arrival at the raft site
- Stand-by on the working channel for your instructions
- Until you are entering the raft, all maneuvers in the vicinity of the raft should be at slow speed and at least 150 feet from the bows of boats in the raft
- If you arrive to the raft site early and anchor, lift your anchor and be ready to joint the raft once the raft construction begins
- Have at least two fenders, two spring lines, and a bow and stern line ready (out of the lockers, uncoiled, and ready to deploy)
- Crew should have a clear understanding of their roles for rafting
- Stay close to the raft site so you can come in quickly when called
- Set your fenders in the proper

position as soon as you are called

- SOS custom is to pass the loop end of the line (or a bowline) to the boat you are tying up to. They may use the loop on the cleat, or they may use a cleat hitch at the direction of the skipper
- When you enter the raft, promptly secure all lines and be ready to receive the next boat
- Time is of the essence – if every boat takes 10 minutes to be ready from the time they are called until they are ready for the next boat, a 25-boat raft built from both sides takes a little over two hours – if every boat takes 15 minutes, it takes over three hours
- Monitor the working channel until the raft is closed in case lines or anchor rodes need to be adjusted
- When the raft is closed, check your lines (no slack in any lines in a circle and no space between boats and fenders - no slack in anchor or spring lines in a linear and no space between boats and fenders.

Please join Dane Skagen in saying a final **goodbye to Ursula Skagen** during the raft up for the **SOS Goose Cruise, October 21 and 22, 2023**. Raft up will be on the Corsica River near 39 04.75N 76 07.175W.

There will be a simple sailors ceremony sending her to her final resting place; some words, some music and an offering to the sea on her behalf. Depending on weather, the ceremony will either be in the evening once the raft is closed or in the morning before the raft breaks up.

Ursula battled gallbladder cancer for 2 1/2 years and still lived life to the fullest during that time including many SOS events. Being involved with SOS was an important part of her life and her wishes were for an at sea ceremony with sailors, boats and friends. SOS friends supported her during her battle and especially near the end when she needed it most. She often mentioned how grateful she was to have such thoughtful and caring friends.

“Life should not be a journey to the grave with the intention of arriving safely in a pretty and well-preserved body, but rather to skid in broadside in a cloud of smoke, thoroughly used up, totally worn out, and loudly proclaiming “Wow! What a Ride!”  
— Hunter S. Thompson

Ursula truly lived.

## VIEW FROM THE BRIDGE

### Bareboat Fun

This month, I would like to celebrate the awesome Bareboat program that we have in Singles on

Sailboats. Later in August, many of our members are leaving to charter eight boats in the San Juan Islands off the coast of Washington state! This is so exciting and such a huge benefit to our membership. Not many sailing clubs offer an opportunity to travel with like-minded friends and SAIL.

In past years, I have been fortunate enough to sail in Australia, Lake Huron, Lake Champaign, Vancouver, Maine, Mexico, Italy and of course the Caribbean with our Bareboat program! Others have been to Greece, Sweden and Croatia.

Exotic, yes! Fun, of course! But also, an opportunity that doesn't always present itself to singles. Each and every trip has made an impression on me, has broadened my horizons and made me a better sailor.

Our Bareboat Chair, Deb Kaufman and other chairs before her have worked diligently to create wonderful adventures for our members to experience. Recently, she sent out a survey to you to see "where would you like to go next?" Did you complete the survey? Thank you for doing so. Deb and her committee plan two trips per year (one in winter and one in late summer/early fall) to entice you to sail outside of our wonderful Chesapeake Bay.

I urge you to consider joining one of the upcoming trips! Both skippers and crew are needed to make this happen. Get out of your comfort zone and have some fun.

To the adventurers who are heading to the San Juans, **bon voyage** and have some local salmon for me! Have a safe and wonderful trip. Take lots of pictures for the Whisker Pole. Thanks also to Heide Harper and Doug Gage who coordinated the trip and handled the finances for it.

Meanwhile, I hope to see you all on the water soon!

**Carole,**  
Commodore

Fall 2024, the top destinations were Mallorca, Spain, and Newport Bay. Spring 2025 results: New Zealand Trip will be expensive. Newport three-week trip has been suggested with the use of SOS Boats. The “hired skipper” job description is under review.

 Many skippers are sailing both the weekend cruises, and weekend and weekday daysails. There continues to be weather, skipper, and boat related cancellations, but many crew are getting out to sail. There have been several skippers that have earned Skipper Rewards that can be used for shore-based events during the sailing season and off season.

Discussion has begun about exploring venues for shore based, sail to events, considering cost, location, and facilities.

## The Skyrocketing Cost of Crabs (among other things!) impact SOS Seafood Fest

We all look forward to our Singles on Sailboats sailing parties every year – the DNR, Anniversary, and Seafood Feast. It's a place where we can see old friends, meet new ones, have a drink or three, and eat a hearty meal. The reality of the situation is that the cost to hold these events has, and continues to, rise considerably. Inflation doesn't exclude not-for-profit organizations, so we, the members, have to absorb the rapidly increasing prices for food, venues, and slip fees. That being said . . .

The Seafood Feast has traditionally included serving crabs -- soft, delicate, slightly sweet tasting meat that you have to work for to eat. Pound, crack, twist and pick, and finally you are rewarded with accessing the delicious delicacy of crab meat. The Social Committee will be providing crabs again for the 2023 Seafood Feast taking place on August 19 at Haven Harbour Marina in Rock Hall, Maryland. We are not going to disappoint you, but please understand that price of attending this party, at \$70, doesn't come near to covering the cost of the venue and crabs. Last year, the price of the party was \$65 and it resulted in a \$1600 deficit.

A recent article in the Annapolis Capital Gazette outlines the current price of crabs and suggests the cost might be a "breaking point for everyone". You can access the article [here:](https://www.capitalgazette.com/lifestyles/food-drink/bs-fe-crab-feasts-20230705-6sjyzbpizr3fbq6ib24pns2ey-story.html)

## Communicating With or Among SOS Skippers

by Skippers Advisory Committee

There are different ways to communicate with SOS skippers depending upon the purpose.

**1.) WHEN THE CLUB WANTS TO SEND A MESSAGE TO ALL SOS BOATOWNERS** and skippers emeritus, a message is sent to all of them using the communication facility that is part of the SOS website.

Even though the addressee of these messages might make a skipper think they were the only one receiving the message, it will have been sent to all boatowners and skippers emeritus. It will be from **SOS SKIPPERS** and will explain in a footnote that **THE MESSAGE IS SENT USING MEMBERCLICKS**.

Using Reply or Reply All when these messages are received will send your response to all SOS boatowners and skippers emeritus whether or not they would have any interest in your response. **IF YOU WANT TO RESPOND TO THE PERSON WHO GENERATED THE ORIGINAL SOS SKIPPERS MESSAGE, YOU SHOULD RESPOND NOT BY USING REPLY OR REPLY ALL** but by using that person's email address listed in the Directory or on the website under "Find A Member" when you have signed in to [www.singlesonsailboats.org](http://www.singlesonsailboats.org).

**2.)** When an event coordinator or committee official wants to communicate to a subgroup of SOS boatowners such as those who have signed up for a particular sail or other event, they will generally use a list of those participant's email addresses to communicate only with interested individuals.

Using Reply for a response to these limited messages will only send your response to the person who generated the email. Using Reply All will send your response to that person plus all other addressees.

**3.) WHEN A MESSAGE IS SENT TO [SOSskippers@groups.io](mailto:SOSskippers@groups.io)** for members of this, **the Singles On Sailboats official means of communication between SOS skippers**, the message will be sent only to SOS skipper members, skippers emeritus, and others with a need to know and chose to participate in the exchange of information of interest to skippers. **THIS IS THE WAY TO COMMUNICATE WITH THESE MEMBERS ABOUT GENERAL INFORMATION OF INTEREST TO SKIPPERS ABOUT SAILING, NAVIGATION, OR OTHER SUBJECTS OF INTEREST TO THIS GROUP.**

Those who choose to join [SOSskippers@groups.io](mailto:SOSskippers@groups.io) can choose whether and how they receive posts to this group: individual message, digests, daily summaries, or no email (to just view messages on the group's website).

To become a member, go to [SOSskippers@groups.io](mailto:SOSskippers@groups.io) and click on "Apply for membership in this group" or contact [smallfavors@hotmail.com](mailto:smallfavors@hotmail.com) and ask to be invited to join.

It is important to choose the appropriate method to contact SOS skippers to make sure your message is received by those with a need to know or who are interested in the message.

## Fleet Exercises and Shore Leave

Please email your questions and request for directions to the coordinator.

If you are paying by check for any sailing event, a paper Sailing Registration Form must **accompany the check** mailed to the **coordinator**. A copy of this form can be found on the SOS website. All checks are to be made payable to **SOS, Inc.** The postmark is used as the mail in cutoff/deadline date.

**Note: Individual request for refunds will incur a \$3 Administration Fee.**

### SOS COVID Safety Protocol

"All participants attending SOS indoor events must provide evidence of Vaccination and Boosting upon request as well as comply with the requirements of a specific venue then in effect".

**"In addition, crew and First Mates must provide evidence of Vaccination and Boosting if requested by a skipper before sailing on their boat.**

Members should expect to be denied admission without refund if they fail to comply with this policy".

## In Memory of Arlette Braman

Former SOS member Arlette Naspinski Braman, 71, of Annapolis, Maryland, passed away on June 29, 2023, after a long battle with cancer. She is survived by her children, Callan Braman and Abigail Braman, life partner Jim Strocchia, and sisters Avis Neary and Michelle Ubben.

A genetic defect, Li-Fraumeni Syndrome (LFS), that affects one of the two P53 tumor suppressor genes, left her predisposed from birth to multiple types of cancer. It also affected her mother, Avis Burby, who died from breast cancer in her 30s. Arlette was a fierce cancer warrior, waging war against breast cancer three times, beginning at age 29.

Arlette was part of an LFS study group at NIH and donated her body for scientific research.

As she said, "I still believe in traditional medicine as it saved my life and gave me more years than I should have had with LFS."

## In Memory of James Harrison

Former SOS skipper James Richard Harrison, II passed away on June 30 from a heart condition at age 75. He is survived by his beloved companion of Mary Vass, two children and two grandchildren.

Jim joined SOS in 2000 and skippered two boats in the club, *Painkiller*, a Catalina 320, and *Painkiller II*, a Hunter 45.

Jim especially enjoyed the marina and shore parties and always welcomed crew and friends onboard, usually serving his concoction of the famous Soggy Dollar Bar Pain Killer drink. He enjoyed bareboating in the BVI's and boating the Chesapeake on both weekend and long cruises from the Susquehanna to Cape Charles.

Jim grew up in Baltimore, graduated from Calvert Hall High School in Towson and Loyola University. Jim had worked as a contractor for many years as a Network Engineer for several government agencies.

Jim's funeral services and burial were held on July 7<sup>th</sup> in Essex, Maryland.

## BIG Thank You to Richard and Peggy Green

The photo on the left of Jim Harrison receiving his burgee in 2001 was taken by Richard Green.

The Newsletter Editor asked Richard if he could find this photo to use in the newsletter.

Richard went into his attic and quickly found the slide because Peggy had organized and labeled all the slides by year and month – amazing!

Then Richard went one step further and converted the slide to a digital file to use in the newsletter.

Thanks to the Greens for once again making a huge effort to support SOS!

## In Memory of Jim Kirk

Former SOS skipper of *Jus' So*, Jim Kirk, passed away after a long battle with lung cancer that metastasized to his brain.

A memorial service will be held on August 21 at 10:00 a.m. at Millersville Community Church St., 163 W. Frederick St, Millersville PA 17551. A light luncheon will be served afterwards.
