Cruising Corner

Fall sailing on the Chesapeake Bay is magical—steady breezes replace the humid summer air, and the water reflects the blue skies dotted with red and gold from the changing leaves along the shoreline. The crowds have thinned, leaving wide stretches of open water for crisp, exhilarating tacks. Ospreys and herons **linger** on their migration routes, and the scent of woodsmoke sometimes drifts from the coves. It's a special season on the bay.

Join in the fun planned for this fall! In addition to many day-sails, we have wonderful overnight cruises:

- **Sept 13/14** – [Return to the Scene of the Monster Circle Raft](#); Drum Pt on Wye River; Let's get enough boats to have a circle raft – can we do it??
- **Sept 20/21** – [Sail to the Wind](#); Raft-up location will be determined based on boat sign-ups and wind forecast - maximizing sailing potential!
- **Sept 27/28** – [Oktoberfest Cruise & Shore Party](#); Castle Marina, Kent Island; Sail-in or Drive-in; Authentic German celebration in the Pavilion! The Club will reserve and pay for the slips that meet the club policy for Sail-ins.
- **Oct 4/5** – [Goose Cruise](#), Corsica River; Enjoy the beauty of nature in this quiet location!
- **Oct 18/19** – [Chili Cook-off Cruise & Shore Party](#); DNR, Granary Creek; Sail or Drive-in; Each boat will

submit a pot of chili for the competition!! Sail-ins will raft up in pods/dinghy to shore (please sign up even if you don't have a dinghy, we will make sure that there is coverage).

- **Oct 24/25/26** – [OysterFest Cruise](#) at Chesapeake Bay Maritime Museum, St. Michaels. Join this fun festival!! Sail/Drive-in, Friday departure necessary if booking a slip (2 night-minimum). **Skipperers need to reserve the slip for CBMM 30 days in advance at midnight.**
- **Nov 8/9** – [Blue Lips Cruise](#); Pirates Cove; Back by popular demand. Join us for the last sail of the season!

Let's GET OUT THERE and enjoy Fall on the Bay!!

Fair winds,

Laura Keough
Dana Stoffregen
Cruising Co-Chairs

VIEW FROM THE BRIDGE

Susan Zevin, Commodore

Ahoy, Mates

Tidbits and goings on....

We are getting towards the end of summer, in the thick of our cruising season and looking forward to this weekend's Seafood Feast. By the time you read this, we will have sailed to Lankford. And we will look forward to our September day sails and weekend cruises.

Dear Friends, when thinking of taking one of the fall cruises, PLEASE be timely in your planning. We have a weekly (Sunday) "blast" with hot links for upcoming events. These supplant the unscheduled and database-burdening blasts members have gotten used to over the last several years. These weekly blasts keep us on schedule, take pressure off the Database team and event coordinators, and give assurance to the Cruising and Social Committees on the number of attendees to accommodate. Let's thank the committee chairs and Database for working together to make the Weekly announcements a success.

And speaking of upcoming events, soon we'll be off to the Extended Labor Day cruise and we'll be packing for Lake Michigan bareboating that starts September 6. I must highlight the successful pivot from the original Lake Huron venue to Lake Michigan. Coordinator Extraordinaire Carole Jordan and Treasurer Janet Pennewell saved the day and recovered our funds when the sailing marina on Manitoulin Island had to close due to an unfortunate family circumstance. So, we'll have our Great Lakes adventure after all. We'll report on it in the October *Whisker Pole*.

Additionally, in the world of SOS bareboating, the Board recently voted "yes" for a late winter (March 2026) bareboat trip to the Grenadines (Coordinator Sandy Rosswork). You can look for more information

elsewhere in this newsletter or contact Sandy directly.

In other news, we had an excellent Town Hall meeting on August 9. Thanks to Karl Scible who planned and executed it. The most important aspect of the summer, Town Hall, is the introduction of candidates for our Board. Elections are coming up, and the Town Hall gives a chance for good ole' political "speechifying." You'll find their individual writeups elsewhere in this edition.

Looking ahead to the new Board and 2026, we are undertaking a review of our education and training programming. Milyn Jordan is leading the effort. What works? What doesn't work? Are changes needed in Spring Training—is it an intense one day or a month of hands-on skills activities? Should we review what we accomplish through our Basic Skills sign offs? What are the expectations of Skippers for crew competence when crew come aboard? How best can we build a pool of potential First Mates?

In thinking about these questions, each and every member of this club has a voice and a vote in what we do and how we move forward. We want to hear from you. You can join a working group, or just send an email, a text, a letter; or just call. We want your opinions and fresh ideas.

Meantime, be safe, and enjoy the rest of summer.

Susan, Commodore

Unofficial Board Notes August 7, 2025 — Zoom
*Official August minutes will be posted on the SOS website when
 approved in September by the Board of Directors.*

Meeting Called to Order: By Commodore Susan Zevin about 6:05 pm.

Approval of Minutes: Minutes for the 16 June special BOD meeting were approved. Minutes of the regular 1 July meeting were approved EXCEPT that the restated Cruising Motion needs to be reviewed by Cruising chairs and liaison. From now on the Draft minutes will be sent to the Committee chairs as well as Board members.

Vice Commodore: Karl Scible - Town Hall arrangements were verified. Sixty-six people are attending. Speeches will be recorded on video and will be available on each candidate's ballot.

Treasurer: Janet Pennewell

The balance in our club checking account increased due to strong cruising income which, of course, is seasonal in nature.

The balance in our Bareboat account decreased as we completed all refunds for the New Zealand trip as well as Lake Huron participants who elected not to transfer to the Lake Michigan cruise. All payments for the Lake Michigan trip have been made.

We currently have a positive balance on our credit card as the refunds for the cancelled Lake Huron trip have been slowly credited to that account.

As of the end of July, we appear to be comfortably on track to meet our budget projections for the year and expect to end the year with a small positive net income.

We can now accept American Express and Discover cards, and AmEx fees charged to

us will be only 2.93% for AmEx, compared to 4.85% for Discover, Visa, and MC.

COMMITTEE REPORTS:

Bareboat: Deb Kauffman and Heide Harper

Fall 2025 – Lake Huron. Canadian Yacht Company (CYC) is making weekly payments for the return of our deposit of \$18,000 CAD. We have received most of the funds.

Fall 2025 – Lake Michigan. Coordinator: Carole Jordan. September 6-12, Great Lakes Sailing Company. Skippers and First Mates met over Zoom to discuss a proposed itinerary and set up a communication group for skippers and first mates. Skippers briefing is scheduled for skippers and first mates on Friday, September 5th at 4pm.

Spring 2026 – Lower Windward Islands (Grenada and Saint Vincent and the Grenadines). Coordinator: Sandy Rosswork. Following considerable discussion, the Board approved the trip as proposed by the Committee. We will sail from Saint George, Grenada, on March 14, to no farther north than Bequia and return.

Brunch: Margaret Schwartz. Will be at the Doubletree in Annapolis on November 16 (speaker Gary Jobson), December 14 (speaker Admiral John Donnelly), and January 11 (hoping for Greg Kearns). The Board approved Brunch prices for this next season: \$43 for members; \$45 for members after deadline and walk-ins and \$45 for non-members.

Cruising: Laura Keough and Dana Stoffregen

Weekend Cruise Snapshot

- **North-South Raft up** – 8 Boats: 7 boats went North to Eagle's Cove, Magothy, and one boat went South to Tangier. Will do this cruise again next year and hopefully get a broader distribution of boat locations.
- **Power Boat Day Sail Raft Up** – 3 boats; Positive comments from all attending.
- **Upcoming Seafood Feast** – 14 boats have registered.
- **Upcoming Labor Day 3-day & 6-day Extended.** Changing the raft up location from Swan Creek to the Corsica River more tenable deeper draft boats.
- **Upcoming Chili Cook-off** – Social committee will manage the land party. Cruising will focus on a workable dinghy plan for those sailing in.
- **Upcoming Oktoberfest** – Have reserved the Castle Marina Pavilion.

- **Upcoming Blue Lips Cruise** – Confirmed that the Pirates Cove Marina can accommodate our group. They will have electricity, but the water most likely will be turned off.

Coordination Topics

Coordinators have been reminded that Skippers should receive their proposed crew's physical ability score/comments & experience level prior to making the decision to accept the crew. Our basic skills policy needs to be clarified and consistently implemented.

Database: Carrie Wills, DB Team Member We are gearing up to support the BOD elections and the start of the Membership Drive, and are continuing our support to the Whisker Pole Editor, Fleet Exercise Chair, Sail Coordinators, Spring Training, and the general public. Miran Dalley has joined the DB Team.

First Mates: Lora Donia. The First Mate cruise to Round Bay was a success. Three active First Mate Candidates are working on their check-out requirements.

SOS Celebrates 5th Oktoberfest

By Gabi Van Wie

It is hard to believe that the SOS Oktoberfest is celebrating its fifth anniversary.

It started in 2019 as a sail in – walk in on the dock Happy Hour in the Baltimore Anchorage Marina. We had a whopping 18 members from the Baltimore area walking in to join the sail in members. The boats for the first Oktoberfest cruise ESTAR, CONEY ISLAND, AT LAST, FOREIGN AFFAIRS, SHANA, and VALIDITY and their crew members were sampling the German food, beer, and wine.

The traditional Lebkuchen Herzen (Gingerbread hearts) were cut off by the skippers and served as dessert for their boat. It was very clear that evening that this successful pop-up trial must stay on the SOS cruising calendar.

In 2020 we had some unforeseen surprises. Even though the Munich Oktoberfest was cancelled, we scaled back and had, under Covid rules, a limited number of members at Michael Sommer's house. Small and safe, but nevertheless we had lots of fun and the German "leckerlies" (treats) tasted even better with all our friends around.

Oktoberfest (cont'd)

In 2021 and 2022 we went back to Baltimore Anchorage Marina with a growing participation with everyone enjoying the German atmosphere on the dock with friends.

In 2023 we moved the event to Castle Marina and from the dock to a pavilion in the Marina. The Sea God Poseidon had a big tantrum that weekend and threw storm Ophelia over the Bay.

Thanks to all our creative and always helpful members, we were able to move the Oktoberfest into the safe harbor of a clubhouse nearby. Despite the fear that no one would drive in those conditions, the Oktoberfest had a record-breaking attendance. Food and drinks were all gone at the end of this extended Happy Hour. And the expected storm high tide stayed just inches under the docks.

In 2024 we were spoiled with Bavarian Kaiserwetter (blue skies and white clouds) and hot temperatures. The pavilion in Castle Marina was filled to the last seat.

We hope that for the 5th Edition we will see you all at the Bierzelt (pavilion) at Castle Marina for another fun 'O'zapft is' SOS Oktoberfest. 'Servus' (goodbye) 'til the 27th of September...And remember everybody can come – walk in for this event. No signup needed – just pay \$15.00 cash at the pavilion.

Evaluating Candidates

By Susan Zevin, Commodore

For the coming elections, dear Members, as you evaluate the candidates for the Board, please know that Board members have three primary duties:

- **Duty of Care:** Prudent use of assets, facilities, people, and goodwill.
- **Duty of Loyalty:** Advancing the SOS mission; recognizing and disclosing conflicts of interest; and decision making in the interest of the club, not of any individual.
- **Duty to Obey:** To obey all laws and regulations, the club's own by-laws, and to adhere to its mission.

We look for individuals who prioritize harmony over divisiveness, who can embrace innovation, and who work selflessly for the greater good.

It is about being a dedicated SOS 'crew' member, collaborating with others on the Board to solve problems and keep the organization operating effectively. Our future depends on unity and a shared vision for the club.

I strongly encourage you, Members, to get to know the candidates for the Board of Directors. Reach out to club veterans and ask:

- Is this candidate collaborative, positive, and forward-thinking?
- Does he or she bring fresh ideas to the table?
- Is he creative and open-minded?
- Can she think strategically about our future while being practical in implementing ideas?
- Most importantly, does he have the temperament to work well with others, is she positive, and enthusiastic about the club's success?

These are the qualities we should prioritize when voting.

Let's seize this opportunity to refresh, recharge, and move forward with optimism and friendship.

SOS Wellness Protocol Revised (3/7/2024)

All participants attending SOS in-person events should be feeling well. They should not attend an event if they have symptoms of a communicable respiratory or gastrointestinal illness, are "feeling like something is coming on," have a recent significant exposure to someone with a communicable respiratory or gastrointestinal illness, or have not waited a recommended isolation time after a recent respiratory or gastrointestinal infection. In addition, a skipper/host may have further requirements or request other preventive measures (for example, crew or guests having received the currently recommended COVID-19 vaccine or wearing masks when below deck). SOS Members Crossing the Bar...

Jeannette McGuire

Jeannette Rose Carter McGuire was 95 when she passed on June 10, 2025. She had a deep passion for sailing and was an accomplished sailor. She enjoyed many sails with SOS.

Rick Kissel

Rick Kissel has been sailing for at least 30 years. He met and married Barbara Brooks, a member of SOS. They were active in the Kent Island Happy Hour group. Rick was a native of Colorado where he worked his way through engineering school as a painter. Subsequently he participated in the Search and Rescue Satellite program at NASA, maintaining international SAR cooperation and protecting the frequencies used from interference. He loved his life with Barbara and working on his Gemini catamaran.

Dana Andersen

Dana moved to Four Seasons Kent Island with plans for retirement near the water. Dana continued to work for NIH in research while working from his west coast home and then moving to KI. Dana was active in the Kent Island HH group and was getting more active in other club sails and brunches.

Fair Winds and Following Seas...

Meet the Candidates

Paul Anderson

In '74 while a student at the University of Wisconsin I learned to sail an MIT Tech dinghy, a lively 12-foot racing boat.

There followed more than four decades of practically no sailing as I entered the workforce, living and working

in Northern Virginia as a hands-on software engineer. The opportunity to sail again as an SOS member presented itself in 2022, I renewed my interest and expanded my skills by obtaining ASA 101, 103, and 104 certifications at a course in the US Virgin Islands.

Despite the four decades between my on-the-water experiences, I maintained a strong interest in small sailing craft, reading and re-reading Howard Chapelle's book *American Small Sailing Craft*, and many other books including those of Philip Bolger, the unconventional and iconoclastic Massachusetts boat designer whose creations I greatly admired for their simplicity and boldness implementing novel solutions to requirements.

My work experience was as a senior developer/engineer and software designer, often in a technical leadership position. I designed software to be practical, reliable, simple, and flexible and I helped those I worked with improve their software skills. I served on a George Mason University Alumni Board for a number of years focused on finding ways to help graduating students prepare to enter the workforce by understanding the career paths ahead of them.

When I was asked if I would like to run for the board, I felt that the timing was right. I recently completed a big relocation, and this will mean more time being available for new commitments. I believe my skills and experience will be useful to the SOS board. I am most interested in ensuring safe and enjoyable sailing experiences. I believe SOS does try to ensure safe sailing experiences by encouraging skippers to guide crewmates in improving their skills and through Spring Training and basic skills certification. But I think safety is not so much an attainable goal but a process and mindset.

While safety is a component in enjoyable sailing, the interpersonal dynamics of a crew are another significant factor in an enjoyable sail, whether for a day, a weekend, or the duration of a bareboat cruise. I will try to find ideas that promote good skipper and crewmate interactions and offer them to the board for consideration.

Finally, as a person living more than two hours driving time to Annapolis, I will be another voice for those SOS members who may live far from the Annapolis area.

Richard Cordaro

My name is Richard Cordaro, and I'm honored to be considered for a position on the board of our sailing club. Sailing has been a part of my life since I was a teenager. The time I have spent on the water—whether trimming sails,

navigating with friends, or simply soaking in the beauty of the bay—continues to bring me a deep sense of peace, joy, and connection. What makes it even more meaningful is sharing those experiences with others who love the water as much as I do.

Professionally, I teach business, entrepreneurship, and real estate at Harrisburg Area Community College, and I'm also a licensed real estate agent. My work is rooted in helping others succeed—whether it's students launching their first ventures or clients making important life decisions. I have always believed in giving back and being of service to the communities I am part of.

This sailing club has been a place where I have met wonderful people from all walks of life—seasoned sailors and newcomers alike. That welcoming spirit is something I truly value. I'd like to serve on the board to help strengthen that community, attract new members, and support the continued success and vibrancy of the club. Whether it's helping plan events, encouraging mentorship, or simply pitching in where needed, I'm eager to contribute both on land and on the water.

(Cont'd on page 11)

(Cordaro, cont'd.)

If we have mission and vision statements, I think it would be something like this:

Mission Statement

Our mission is to make the joy of sailing accessible to everyone—especially those who might not otherwise have the opportunity. We are dedicated to fostering a welcoming environment where individuals can learn to sail, build confidence, and develop essential safety skills and lasting friendships. Through hands-on instruction, mentorship, and a spirit of camaraderie, we strive to create lasting memories both on the water and off.

Vision Statement

We envision a vibrant sailing community where everyone feels at home—where new sailors are empowered, friendships are formed, and the shared love of the wind and water brings people together. Our club will continue to grow as a place of learning, laughter, and lifelong connection, inspiring a new generation of sailors through education, outreach, and joyful gatherings.

Outside of work and sailing, I'm a proud father of two grown children and a grandfather to a spirited two-year-old granddaughter. Life has taught me the importance of meaningful connections and lifelong learning—both of which I find in this club.

Thank you for your consideration. I look forward to the opportunity to give back to a community that has given me so much.

Sincerely,

Richard Cordaro

Ray Harris

An old proverb states that if you give a man a fish, you feed him once, but if you teach him how to fish, you feed him for a lifetime.

Years ago, SOS member Spud Flowers taught me how to sail at the Washington Sailing Marina and introduced me to SOS. These combined to give me a lifetime of sailing pleasure that has been of unmeasurable value to me.

I regard this as an obligation to help others to learn and practice the art of sailing. Accordingly, I have sailed with more SOS members in the past three years than any other skipper and I look forward to continuing to introduce SOS members to the joys of sailing.

New members are the lifeblood of SOS, and no one should ever be left ashore. I would like to encourage more skippers to participate in cruises so that no member is ever left ashore. We need an innovative approach to building membership so that we can regularly build circle rafts again.

Other than serving as Cruise Chair years ago, I have not actively served as an SOS contributor. My 20 years' experience as CEO of a successful high-tech company have provided me with management, financial, and technical skills needed to be a successful board member and to help pay back the obligation I have to this wonderful sailing organization.

I would greatly appreciate your vote in the upcoming board election.

Meet the Candidates

Meet the Candidates

Dana Tulis

Hi! I am Dana Tulis, SOS member for 2 years, I have been sailing for 5 years. I am certified in ASA 101, 103, 104 and 105. I have

crewed on day sails with friends and with SOS. I have been racing at the Annapolis Sailing School for 5 years on Sunday and/or Monday nights. I am currently learning to sail on a Sabre 34, with a goal to be able to be a "Captain". I really enjoyed the cruise to Mallorca last year, with Captain Dana S., which was certainly a highlight event!

On the professional side, although I will be retiring soon. I have been the Director of Emergency Management for the USCG for the last decade, which includes overseeing Search and Rescue, Disaster Response, and Marine Environmental Response, cleaning up oil and hazardous spills. That is a Senior Executive Service (SES) position, the top of the GS scale, and I have been in the SES and leadership roles for 21 years. I oversee 160 staff and have been in management positions for 33 years. I am known for strategic vision, getting things done creatively in the face of bureaucracy or other challenges, and achieving goals through collaboration. Prior to the USCG, I worked for EPA for 28 years and have played a major role in every response since 9/11. I provide organizational advice to responses, such as the Bridge collapse. I oversee training for 3,000 people per year.

I believe these skills are transferable. I developed the Emergency Management minor for the USCG Academy and can use those skills to look at our Spring Training and other training events. I really enjoy planning trips and would suggest new destinations, finding environmental wonders, great restaurants, and culture (perhaps Thailand, Fiji). It's a great organization and I am happy to be part of it, but I believe I and our BOD team can help make it even better. I also ran a consulting firm, on Total Quality Management, as well as establishing two Subchapter S companies, for recording and producing.

And most importantly, I am close friends with Janet Pennewell and Carrie Will, great role models. I believe you are all customers, and I am here to listen to you all. Please vote for me!

Barbara Wise

In 1979 I moved to the DC area. Upon meeting several SOS me. Please a holiday gathering, I was taken by their enthusiasm for sailing and for the SOS sailing club. I joined SOS in 2009 and sailed most every weekend for my first few years as

a member. Between local bay sailing, parties, educational events, the wide array of travel opportunities, and wonderful friendships, SOS has become an important and treasured part of my life.

My participation included helping to create the theme and decorations for the club's award-winning Parade of Lights boat and sailing on it during the parade. I have been an active part of the Social Committee and have volunteered at many parties, events, and brunches. In the 2025 Spring Training I was one of the four members heading up the entire daylong event. I've been a cruising coordinator for many years. Did you say Bareboat Cruises? I have been on at least five in the last eight years.

After retiring from a long sales career and stepping down from being president of my homeowner's association for 17 years, I now have the time and energy to become a valuable member of SOS by serving on the Board.

Board Notes Continued from page 3.

Safety: Joan Tannen. Just a few boat activations for new and existing Skippers. We continue to review the results of surveys after every cruise. All has been going well.

Skippers Advisory: Sandy Rosswork. One new skipper joined the club in July.

The annual Skippers party on August 3rd was well attended, and the business meeting was lively, with lots of input!

A list of Skippers willing to do Basic Skills checkouts will be compiled for coordinators to use. Several Skippers have suggested that the Basic Skills forms need updating and editing, and checkout policies should be clarified.

Raft Captain Program. (Chuck Fort). Several raft captain trainings have been provided. There are still too few operational raft captains.

Skipper Helper Program. (Emil Becker and Susan Vasco): Some assistance has been provided for Skippers. Ideas for next spring are being considered.

Skipper Mentor Program. (Bill Ostrander). Changing title to Skipper Liaison - more accurate and less patronizing! Trying to ensure there is a skipper liaison at every club sailing center where there are several member boats.

Social: Tina Lavato and Kathy McFadden.

Seafood Feast – August 16th. Non-alcoholic beer will be offered as a beverage choice this year.

Chili Cook-off – Oct 18th. Social and Cruising met on Aug. 5 to discuss the event. Fees will remain the same as last year: \$38 for those cruising in, and \$20 for those driving in. Each boat will bring a pot of chili for the tasting contest; folks that drive in will be asked to bring a side dish. A prize will be given for the best-tasting chili overall.

Halloween Party – October 31st. Shore party-only event to be held in the meeting space at Christ Church in Edgewater, available through an SOS member at no cost to the club. Appetizers and treats will be served, along with beer, wine, soft drinks, etc. More details forthcoming.
